### Can't wait for Santa? Make His job easier, buy your own Gift!

We are now taking orders from VASE NEWS Subscribers for the first production run of Commemorative Trendsetter 60 Deluxe Guitar Amplifiers.

These are the ones hand wired by Gary Broadhurst who hand wired the originals back in the VASE factory in the 1970's.

Price is \$3990. inc GST. A \$400 deposit is required. Email your expression of interest and we will send you an application form and payment details. Credit card or depositing of funds into the VASE account are acceptable means of payment. Balance to be paid prior to delivery around March 2010.

The sets are available in black or white, as were the originals. You'll be receiving a 60 watt, all valve hand built amplifier, an open back speaker with 3 x Celestion speakers, Finnish Birch cabinets covered in original vinyl with original patterned VASE grillecloth.

In addition you'll receive custom built VASE flight cases for head and speaker plus Trendsetter Deluxe 60 Shirt and Certificate of Authentication.
